ANNUAL REPORT OF THE SUPERINTENDENT OF SCHOOLS.

February 4, 1929.

To the School Board and Citizens of Danville:—

I herewith submit to you my second annual report as Superintendent of Schools.

Your schools were opened Sept. 5, 1928 with the same staff of teachers as in the previous year;—namely, Miss Emma L. White of Center Sandwich, N. H. in the Eaton Grammar school, Miss Doris H. Rowell of Warren, N. H. in the Eaton Primary School and Miss Edith F. Stevinson of Fremont, N. H. in the North Danville School. Their continued service in your schools speaks well of their interest in the work as well as of your desire to retain capable instruction whenever possible. Continuous and satisfactory teaching makes for progress and improvement.

Five pupils were graduated last June from the Eighth Grade:—

*John Bernaby

*Francis Seicze

*Dorothy Currier

Julia Trafton

*Betty Fairweather

The star indicates that the pupil entered Sanborn Seminary this Fall. That 80% of your graduates are entering high school is a noteworthy achievement. In the tests given last May, these five graduates all ranked higher in scores than the middle score of all the eighth grade pupils of this Supervisory Union. Which is to say that they attained very good ranks.

Aside from the pupils mentioned above Danville has the following pupils in Sanborn Seminary:

GRADE 12

Muriel Collins
 Wilmot Currier
 Carroll Kimball
 Dorothy Scieze

GRADE 11

Charles Arnold
 Manford Avery
 William Cooney

GRADE 10

John Hopkins

Recent reports from the Seminary show many of your pupils on the Honor Lists for their respective classes. As last year, I am pleased to say that there are more on these Lists this year than last. It speaks well of their preparation as of their several abilities. I urge you to commend these young people and encourage them in their efforts.

The following pupils were neither absent nor tardy during 1927-28:

PUPIL	PARENT
Clistie Arnold	Clifton Arnold
Vernon Day	Roland Day
Gerald Gardella	Mrs. Antonio Gardella
Lois Johnson	Susia Johnson

As the credit for such commendable attendance is often due to the parent, his name is given as well as that of the pupil. I wish to call your attention to the fact that this list is double that of last year. May we double this list for 1928-29?

In reading this report please note the table of attendance statistics on another page. It shows an increase of nine pupils in 1927-28 over that of 1926-27. Further the loss in visits by parents and other interested citizens is greater than ever. I hope this year you will more than make up for this loss.

Some parents and others make it a practise to visit their schools at least once a week. I urge you to think seriously about adopting their practise.

In the interests of Safety for every child in Danville, I ask your co-operation in the elimination of every possible

danger to the children while on the way to and from school. The National Council of Safety recommends that school children be taught to walk on the left hand side of the road where there are no sidewalks. The reasons for such procedure are that approaching autos from the front can be seen and a move made to step aside, while autos approaching from the rear pass on the right hand side of the road with less chance of striking a person in case he did not hear them. I urge your assistance in this respect toward the instruction of your boys and girls.

One of my fondest hopes is that every district in the Union shall organize a Parent-Teacher association. Some in my position oppose them, others encourage. I am pleased to be counted among the latter. Certain steps toward the organization have already been taken. I anticipate the conclusion. Certainly, a live active Parent-Teacher association can do much in the interests of your children.

In closing this report, I take this opportunity to thank the School Board, teachers and citizens of Danville for their co-operation with me during the trials of my first year. It has been splendid. I trust in its continuance.

Respectfully submitted,

HAROLD C. BOWLEY,

Superintendent of Schools.

SCHOOL BOARD REPORT

General Remarks

The schools have been under the care of experienced teachers the entire year; Miss Emma White in charge of the Grammar school, Miss Doris Rowell and Miss Edith Stevenson as teachers of the Primary and North Danville schools.

We feel that throughout the year the teachers have labored hard for the good of the pupils and it was very gratifying to us to know that at the close of the year the schools were in good condition.

The matter of safe-guarding and promoting the health of the pupils has been carried on by the school nurse, who, by personal examinations, and friendly talks with the pupils and parents, has sought to establish habits to promote better health.

The proper training of the children requires a close co-operation between the home and the school. This co-operation is possible only when parents are familiar with real conditions and one of the best means of knowing real conditions is by visiting the schools.

Respectfully submitted,

W. CURRIER WITHERELL,
IRMA W. DAY,
LOUIS M. GRIFFIN,

School Board of Danville.
